MEMORANDUM FOR: Director of Logistics

SUBJECT : North Gate Traffic

25X1
Attached is a note from [] which I will acknowledge concerning traffic at the North gate. Can we do anything to answer this problem now? I have heard suggestions that the North gate be considered one way, entrance only in the morning hours to 9 a.m. and anyone wishing to leave Agency premises during that period would have to use the entrance on Route 123. I would appreciate hearing any solutions to this problem.
